

Lesson Plan

Careers with Animals

Class Duration: 1 hour

Tour Duration: 1 hour

Goals: Students discuss the variety of animal-centered careers with Wildlife Educators and Animal Care Specialists and explore the paths to pursue these careers. Students can think about which career is most interesting to them.

Supplies:

- Careers with Animals slide show
- Worksheet
- pencil

Education:

_____ Discuss the different careers available involving animals.

_____ Identify the ways to pursue these careers.

_____ Meet an Animal Ambassador for a Cat Chat and interpret their role in Wildlife Education and Conservation.

_____ If time allows, students write about the career that most interests them and why. Group discussion. (This can also be done as a take home/reflective activity.)
